Graduate Admissions

January 25, 2022

Mr. Nikhil Kumar G
#97, Behind Sharda Talkies, S.P Road, Near Town Hall
Bangalore, Karnataka 560002
India

Dear Nikhil:

Congratulations on your acceptance into the Master of Science program in Software Engineering for the Fall 2022 semester at Stevens Institute of Technology. Your admission introduces you to a community of scholars, researchers and professionals who continually strive to create new knowledge and improve the world in which we live. Our decision reflects our belief that you will make significant contributions to that community, and carry forth the tradition of excellence Stevens is known for the world over.

Because of your outstanding profile, the admissions committee has recommended you for a graduate scholarship in the amount of \$10000. This highly selective scholarship is offered to only the most highly qualified prospective students, and you should be proud to count yourself among this select group.

The School of Systems and Enterprises at Stevens is a leading institution in systems innovation, education and research. We offer academic programs that provide a world-class, practice-based and research-supported education emphasizing on leadership in systems science and engineering. Because our programs are so relevant to today's market, they offer a unique advantage, providing an education that translates immediately into expertise that students can take to the workplace.

To confirm or decline this offer of admission, please see details under the "**Next Steps**" section below. Our admissions office as well as your advisors will be in touch with you shortly to ensure you have everything you need to enroll at Stevens for the upcoming semester. Until then, please share this happy news with those who have supported your journey so far.

At Stevens, we are confident that you will have an outstanding educational experience and will build a strong career foundation with the advanced skills necessary to succeed in today's highly competitive world. All of our academic programs provide rich opportunities for leadership and for personal growth.

I look forward to welcoming you on campus.
Sincerely,

Dr. Anthony Barrese
Interim Dean of the School of Systems & Enterprises
Stevens Institute of Technology
